Drawings

The proposed drawing correction filed 2/23/04 which was previously disapproved by the examiner has been approved. 20 represents the flange and the arrow from 20 points toward 14, which is part of the flange.

Specification

The specification has been amended so that 11 is not part of the flange. The amendments to the specification have been approved.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: Weiss (US 3,401,825) as seen in Fig. 8, teaches the container with an upper end having the portions as set forth in amended claim 26. However, to combine the teaching of Zeman, Hicks, Miller, and Weiss or to combine the teachings of Zimmer, Zeman, Amberg, Miller, and Weis to arrive at the applicant's invention would have required hindsight.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
